Fine Arts Form One

Directions:

Students should complete items 1-8 and the department should complete items 9-12 by the last week of the semester. Students who are accepted but have less than a "B" average are coded as nonmatriculated until the deficiency is cleared, ordinarily after the completion of 8 credit hours with at least a 3.00 GPA. The department verifies the student's matriculated standing with an official transcript and notifies the College of Fine Arts Office.
