

# Activities Information

## Transportation:

TRAX will be our main mode of transport to downtown and most excursions. The University is linked to downtown via the Red Line. Each participant will need tickets in advance for Saturday lunches/grocery store runs and Sunday activities. Find maps, rider information, and how to buy passes or tickets and/or download the app for ease of travel at <https://www.rideuta.com/Rider-Info>

**All students are invited to join UBSI activities. Activities will be experienced by pod. RAs will announce activities each week and will ensure all students are knowledgeable of upcoming events. Please check in with the RA of your pod if you have any questions.**

## Helpful Hints for Students staying on Campus:

- Bedsheets, blanket, and a towel are provided
- Grocery supply runs will take place on Saturday afternoons. Please bring your first week of grocery supplies when checking in since there will not be time to go during the week.
- Due to protocols to protect you from contracting Covid-19, **NO** guests are allowed in the dorms, **no exceptions**. Please check out the lovely outdoor spaces found on campus or around Salt Lake City instead during any downtime. This is such a great opportunity!
- Check In/Out with your RA. Please let your RA know where you are going, who you are going with, and approximately when you expect to return as a courtesy for your safety. We thank you for being responsible in this manner.
- Please keep common areas clean and be respectful of everyone living on campus.
