

Student Requests Committee

The Student Request Committee is comprised of Rob Wood and the Ballet Program Coordinator. This committee reviews ALL petitions for exceptions to Ballet Program policies. This includes, but is not limited to, excused absences for emergencies, course substitutions, reduction in credit, leave of absence, etc. There are rare occasions when the committee seeks input from the entire faculty before making their decisions. All student requests must be submitted to Rob Wood with all requisite documentation in a timely manner for consideration. It is the student's responsibility to initiate any such request by completing the appropriate form. Students will be informed in writing of the Committee's decision. See the Appendix for guidelines and forms.
